

## Way forward

### Step 1: Participation

- 1 Each thematic area will be convened by the respective **Vice-Chair (VC)**.
- 2 The VC will invite **two regional focal points per theme**, which may include:
  - a **Member State** representative
  - a **Sector Member** representative (as the WTPF operates on an equal footing).
- 3 **Additional experts** interested in participating are welcome.
- 4 To confirm participation, submit names and email addresses to [wtpf@itu.int](mailto:wtpf@itu.int) by 1 March 2025.
- 5 The Secretariat will create **mailing lists for each thematic group**, including all interested participants.

### Step 2: Scheduling

- 1 **Virtual meetings** will be organized from now until **June 2025**, in alignment with the **IEG schedule set by Council Decision 641**, which sets a **16-June** deadline for contributions ahead of the **September** meeting.
  - 2 It is anticipated that **three virtual meetings** may be required.
  - 3 **No parallel meetings** will be scheduled unless VCs agree to convene a joint session if necessary.
  - 4 The Secretariat, in consultation with the VCs, will maintain a **common meeting schedule** and circulate it to the group through the IEG-WTPF mailing list and Teams Channel.
